MEET YOUR COUSINS

.....
Dedicated to the memory of
my beloved parents
.....

Rev. and Mrs. David Elijah Adams

ACKNOWLEDGMENTS

My appreciation for assistance in compiling this limited genealogy goes first, to John Crutcher, world, traveled former State Senator, and later, Lt. Governor of the State of Kansas. It was he who inspired the name for this little history, "Meet Your Cousins", when he sent me the names of a number of "Cousins" who might furnish me with an abundance of information on the "Crutcher Clan".

I am deeply indebted to Mrs. Robert Page Thayer of Manhattan, Kansas who has furnished me a wealth of authentic information on the background and early history of the family. Mrs. Thayer is preparing, for publication, a verified genealogy of these Crutchers.

My appreciation is extended to Mrs. Leonard D. (Mamie C.) Wallace of Athens, Alabama, who has so generously shared a portion of very valuable and certified information on the early Crutcher ancestors.

I am also grateful to the Moberly and Middletown, Mo. "Cousins" and to all the other "Cousins" who have so promptly and enthusiastically responded with information requested on their particular families.

While some of the information included here is not verified, I trust that it will offer adequate facts and clues to enable and inspire many of the "Cousins" to complete verified information on their particular lines, from William Crutcher of Amherst and Caroline Counties, Va. and his son, Samuel Crutcher of Patrick Co., Va. (our Revolutionary ancestor who married Elizabeth Lee) down to the present generation.

We have a heritage of which we may be justly proud, and it is my sincere desire that every family who receives a copy of this little genealogy may share it with as many "Cousins" as possible, and that it may be added to, and be kept up to date, by future generations.

It is also my earnest prayer that this little introduction of "Cousins" to "Cousins" may bind us closer together, and that all whose names appear on these pages, even though we do not have the joy of meeting on this earth, may be brought together in that Brighter and Better World Beyond.

Sincerely,

Mildred Jones

Part II

Origin Of Our Crutcher Line

It might be mentioned, first, that the name Crutcher was variously spelled Croucher, Croutcher, Croacher, etc., by the old clerks, lawyers, and ministers of the period, who spelled "by ear". All families have the same conditions in their early records.

It has been determined, by research in Amherst, Henry, Patrick, and Caroline Counties of Virginia, that William Croucher of Amherst and Caroline Counties Virginia, is the first known Crutcher ancestor in our family, of whom we have authentic records.

In the Amherst Co. Deed Book B. page 313, is found, "2 May 1768, Samuel Croucher, orphan son of William Croucher, deceased, Late of Caroline Co.", etc.-- This reveals that William Croucher died in Caroline Co. before 1768.

From other early records, it is learned that Samuel, William, and Thomas Croucher were brothers and that they were the sons of William Croucher. They had four sisters, Temperance, Martha, Sarah and Mary (Molly) Croucher.

Samuel Croucher, son of William Croucher of Caroline County, Virginia, married Elizabeth Lee of Patrick County, Virginia. He served as a private in the American Revolution and several people have entered DAR on his record.

Thomas Croucher, brother of Samuel Croucher, also served in the Revolutionary War and was in a hospital in 1777.

Temperance Croucher married Thomas Dickerson.

Martha Croucher married Phillip Penn.

Sarah Croucher married Nathaniel Mantiply.

Mary Croutcher - (No marriage record)

Since this must be a limited genealogy of the Crutchers, no effort has been made to trace out any of the families except those of the sons and daughters of Samuel Crutcher (Sr.) and his wife Elizabeth Lee.

In some instances little or no information was obtainable.

Obituary of Robert Bruce (Charley) Crutcher

Charley Crutcher Dead

Charley Crutcher, aged 86, son of Ambrose Crutcher, a wellknown Monroe County pioneer, died at the home of his son, John Crutcher, south of Paris, the old Crutcher home, Tuesday morning and the remains were buried at Cedar Grove Wednesday afternoon, with brief services at the grave by Rev. Williard Reavis. Deceased is survived by his wife and five children, Bruce, Loyd, John, Mrs. Chester Vance and Mrs. Laura Lea.

Ambrose Crutcher, father of Charley Crutcher, is buried at Paris. He was famous in Monroe County annals as the originator of the round, long, dark green watermelon, and the seeds for it were in demand. In those days nobody would buy anything but a Crutcher melon.

Charley Crutcher himself was one of the most lovable and loyal men we ever knew in our lives. He took life good naturedly and raised a fine family of boys and girls to do him honor in his old age. Seven years of his early life were spent in mining near Winnemucca, Nevada, and it was there that he was crippled in one leg. He could talk interestingly of his experiences in those days of the late seventies in the far west. Monroe county has lost a good man and a good citizen, but at 86 we must all go that route. The Mercury's sympathies go out to the bereaved family.
